

Four Cats Who Need New Homes – June 1, 2014

Joe, the owner of these four cats, died recently; his only relatives are three daughters in California. They have sold the house, and it will close in one month. The owner was part of the Lynn/Saugus rescue group. Please help us spread the word to find these kitties a new home.

Here are photos and some information. Veterinary records are available.

Thunder: Female, Age 9 (DOB 4/26/05). Fluffy Calico. Sweet and friendly, welcomes petting.

Dexter (Butterball): Male, Age 6 (DOB 7/24/08). Plump, fluffy, gray. Sweetest, friendliest personality, comes up and rubs for petting. He's currently bigger than the picture.

Tigger: Male, Age 9 (DOB 5/3/05). Gray tabby, three legs. Is friendly, but shy to strangers.

Lil' Boy: Male, Age 9 (DOB 9/28/05): Male, black and white. He is also friendly, but shy to strangers.

They have been inside/outside cats, but it may be best to have them as inside cats so they do not try to find their way back to Joe's house. We ideally want to find foster families and adopt them out. We absolutely do not want them in small cages so we are open to any suggestions that can help us.
