## Nike & Nala

"We couldn't be happier with the kittens that we adopted from FOBA. We now have two new additions to our family. They were shy at first, but not anymore. We have always had cats in our household so when our 18-year-old Tabby passed away, we went on a search. The FOBA foster family had taken these kittens in. They made the process so easy for us to meet the kittens and adopt both a brother and sister from the same litter. We feel great about adopting pets that need a home. Nike and Nala are going to be two very spoiled cats as they grow up. Thank you, FOBA."

- Dawn Marie Corneau, Beverly, MA

## Two Canine Rescues From FOBA 2015 Calendar

Cassidy, who is now 15 years old, was adopted through the Animal Rescue League of Boston by Tina Buchs, David Kalman and Rachel Kalman, of Beverly. We were

happy to include Cassidy in the calendar!

"Oreo is an 8-1/2 year old 'SATO,' a Puerto Rican street dog rescued from a junk yard in 2006 and sent north to Northeast Animal Shelter in Salem. We adopted her the day after she arrived. She is a dear, timid girl and we love her!"

- Diane Kessler,  
Danvers, MA

### Persia (Happily Adopted)

Persia, about four months old, was trapped for spay and release, but she was found to be too sweet to release. She still needed some time to socialize, so she was delivered to FOBA. Within 24 hours, Persia could be handled and soon she was purring up a storm as a lap cat. She was hard to let go, but she was adopted and will live her life with regular meals, medical care and a family to love her.

### Beauty (Available Soon)

Available soon, this three-month old purring lap cat is a love. She was raised outside, but has turned out to be friendly and fun. If you would like more information on this Beauty, contact Jill at [dsajill1@yahoo.com](mailto:dsajill1@yahoo.com) or 978-969-2389.

### Nina (Available)

Here is Nina, who is three months old. Her brother and sister were adopted recently, and she is waiting for a new home with another kitty or someone who has time to play with her. Nina has the required distemper shots and tested negative on Feline leukemia/ AIDS test. She likes to sit on a friendly lap and be petted. If interested, contact Cheryl at [cmezack@aol.com](mailto:cmezack@aol.com), (978) 578-0588.

Please "like" us on Facebook and help us spread the word about the animal rescue work we do and our plans to establish a shelter in Beverly. Only with your help can this dream come true!

### **Sylvester & Blue Eyes (Happily Adopted)**

These two handsome boys grew up without people for the first three months of their lives. Living behind an auto garage, they were trapped and delivered to FOBA. FOBA committed the time to tame, handle and socialize them. They were so bonded together, and were adopted into a good, forever home, where they now live with a family that includes four teenage girls.

### **Jasmine (Available Soon)**

Jasmine is four months old. She has large eyes and an exotic face and coat. She is due for her exam at the vet and will be available soon. If you would like more information about Jasmine, contact Jill at 978-969-2389 or dsajill1@yahoo.com.

### **Sydney (Happily Adopted)**

Sydney was rescued by her landlord. The landlord was allergic, and needed a place to put Sydney. The shelters were full and Sydney was left to live outside until FOBA took her in and found a home for her. She is now living with a retired woman as an only cat. We are so happy this sweet girl now has a nice, forever home.

**We need more foster homes for the animals we rescue. FOBA covers food, litter and medical expenses. Fostering can be a very rewarding experience. Contact Cheryl Mezack for information: cmezack@aol.com or 978-578-0588**
